**Beth A. ~ Upper Saddle River, NJ**

I met Stacy over a year ago at a class we were both attending. Immediately I was attracted to her amazing presence. I purposefully sat next to her because she was warm and inviting - right away. I noticed that she is easy to talk to and is an incredible listener.

It was then that she began coaching me. She has an uncanny ability to truly hear the meaning behind your words. She picks up the slightest innuendo, expression or feeling from the conversation. Pulling out the truth and setting it before you in a non-judgmental, always helpful way.

She has been my “champion” through some major life changes. I admire her work and feel privileged to work with such a talented and compassionate coach.
